**INTRODUCTION**

*100 Thematic Word Search Puzzles Junior* is a reproducible book of, as the title suggests, 100 word search puzzles. The Junior in the title implies that the book will work with a younger audience, but it also means the puzzles will work with language learners at a more beginner level. Word search puzzles are the ones where you are given a list of words. You are also given a grid full of letters. You must search the grid to find all the words from the list. The words camouflaged on the grid go in various directions: left to right, right to left, up and down, and diagonally in any direction.

Each unit is based on a theme. Each unit has 10 words to be studied.

An illustration is given for each vocabulary word. There is also a space provided for the student to practice writing the words.

There are two word search puzzles in each unit. One of the puzzles features the vocabulary words alone on the grid, without any extra letters. The second puzzle has the vocabulary words hidden in a grid full of letters.

There is a complete Answer Key.

*100 Thematic Word Search Puzzles Junior* can be used alone or with other thematically linked materials.

100 Thematic Word Search Puzzles Junior is a reproducible book of, as the title suggests, 100 word search puzzles. Word search puzzles are the ones where you are given a list of words. You are also given a grid with letters on it. You must search the grid to find all the words from the list. The words camouflaged on the grid go in various directions: left to right, right to left, up and down, and diagonally in any direction.

Each puzzle is based on a theme. Each puzzle has ten words to be studied. There is an illustration for each vocabulary word. There is a space for the student to practice writing the words on it. Each unit has 2 word search puzzles. One word search puzzle contains only the 10 words without the visual distraction of extra letters on the grid. The other has all the vocabulary words hidden in a grid full of letters. There is a complete Answer Key.

Puzzles from 100 Thematic Word Search Puzzles Junior can be used alone or with other thematically linked materials.
