INSTRUCTIONS:

Beaver Ed's Beaver Tales is the silliest, funniest, happiest, craziest, most awesome word game you'll ever play.

Just follow these simple directions:

Before every story in this book, you'll find four columns of words, each marked with a symbol.

Each symbol represents the following:

- **Symbol**
  - **Noun**
  - **Verb**
  - **Adjective**
  - **Wacky words**

In each story, you'll find blank spaces marked with any one of the symbols above. Fill in each blank space with a word from that column until all the blank spaces in the story are filled. Finally, read your Beaver Tales aloud to see what kind of wacky, silly, hilarious story you've created.

Change the words and you'll have a different story every time!
